*Proceeds benefit the Alle-Kiski Area HOPE Center, Inc. & its Saf-T Kennel, which provide safety to all members of the family.*

Dogs and their humans will be able to attend in person! We are including feline lovers this year! While their cats will not be attending they will be able to email a photo of their cat in advance of the event, so that a special lanyard can be prepared for them to wear at the event. This will enable them to proudly share their cat tales!
